Grade Group Classes

This section is used to assign grade group to classes & subjects. It helps to display grades for particular subjects and classes at the time of marks/grades entry in the Subject Marks menu.

In the previous section we added separate grade group class for nursery and other classes.here we are mapping the grade group with class and the subjects so that for a particular class "GRADE GROUP CLASSES" will fetch the grades for their corresponding grade group when assigning the grades in the report card.

STEP TO FOLLOW :-
