

Changing User Interface Themes

Click on Themes tab. You will see the below window.

Themes tab is provided so that user can have a choice of setting their own Themes from the themes list.

- User has to enable the theme button
- Click on update.
Automatically, theme get reside on the screen.

The screenshot shows a web application interface with four tabs at the top: "School Master", "Switch Academic Year", "Default Settings", and "Themes". The "Themes" tab is selected. Below the tabs, there is a section titled "Themes" containing a list of theme options, each with a radio button. The options are: Plain, Emerald Town, Blue Sky, Wine, Japan Cherry, Ruby (which is selected), Classic, and Deep Marine. Below the list, there is a red "Update" button.

User can change the theme of the SchoolAdmin Lite for which ever they like when they login.

The default theme of SchoolAdmin Lite is Classic.
