Custom + SCFLM Flag

If you want the fee created in Masters - [Fee](#) to be collected only for the last month. Then create a Fee group by enabling Custom + SCFLM Flag. The custom fee added to this fee group in Fee payment will be added for last month.

> **ⓘ Note**
>
> If the Fee Amount is common to all the students, then you need not select slab for the respective fee group.
>
> If the Fee Amount is different for students, then you need to select the slab for the respective fee group. This will help you to get the fee group pertaing to the student when you make [fee payment](#) in Admin master.
