

Working in Teacher Login

To work as Teacher in SchoolAdmin Basic EVD, you must have user name and password created for you by the administrator. And that login must have ROLE_TEACHER set.

With the Teacher Role login in SchoolAdmin Basic EVD you can view all the student details. Update their monthly attendance details. Also you can generate student reports. View the School contact details.

Note

When you login as a Teacher for the first time, you go to options and click on users and change your password.

To Login as Teacher follow the below steps

1. Go to SchoolAdmin Basic EVD login page , enter the User name
2. Enter the Password
3. Click on Login

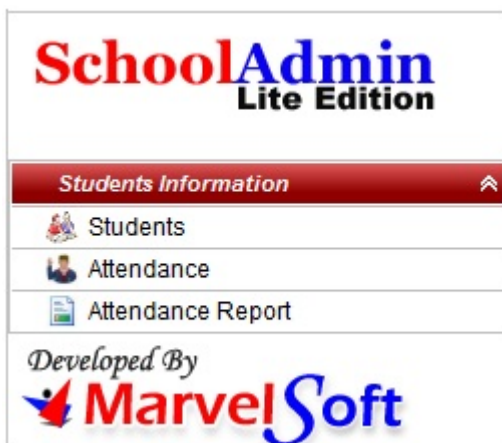

Note

If user name and password matches with the user record created by admin, you will be able to successfully log in to SchoolAdmin Lite.

If user name and password is wrong, you will get a error message saying Invalid Username or password. You need to re type correct user name and password to login.

With the Teacher Login you can perform following tasks

When you login as a teacher, you will see the Left Main menu bar as show below

1. You can view [Student details](#).
2. [You can update monthly attendance for the students](#)
3. [You can generate Attendance report](#).

From the Top menu bar you can do following tasks

DashBoard

When you click on Dashboard, you will be directly taken to the Student details sub menu. Here, you can view student details such as individual student detail, class wise student details etc.,

Widgets

From the Widgets drop down menu you can view contact manager. contact manager menu stores information regarding School's all the suppliers and vendors such as Book Store contact details, uniform supplier contact details etc.,

Options

1. Help Menu - help information on SchoolAdmin navigation icons.
2. Settings Menu - you can change the SchoolAdmin theme.
3. Users Menu - you can [change the password](#).
