

# Issue Parents Login

Issue Parents Login means creating login credential for parents. They can login into the software and view the details related to their child.

To open this click on

Parents menu --> Issue parents Login

Once you click on that, you will get a window like this

A screenshot of the 'Student Register Login' form. At the top, there's a header 'Student Register Login'. Below it, there are three dropdown menus: 'Class\*' (showing '--Select--'), 'Section\*' (showing '--Select--'), and 'Student\*' (showing '--Select--'). To the right of these are two buttons: 'Filter' and 'Reset'. Below the form is a table with the following columns: 'Sl.No.', 'Student', 'Grade', 'Section', 'Mobile No', and 'Email Id'. At the bottom left of the table is a 'Create Login' button.

Select the class, section, Student name and click on Filter.

A screenshot of the 'Student Register Login' form. The 'Class\*' dropdown is set to 'Montessori', 'Section\*' is set to 'A', and 'Student\*' is set to 'ADARSH BELAWADI MURALIDHAR'. The 'Filter' button is highlighted with a blue rectangular border. The table below is empty.

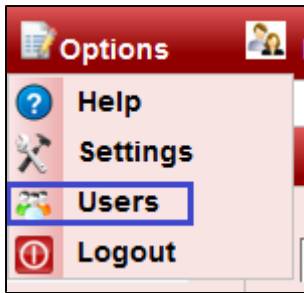

Once you click on Filter, the details of that students will be displayed below

A screenshot of the 'Student Register Login' form. The filters are the same as in the previous screenshot. The table now displays one row of data for the student 'ADARSH BELAWADI MURALIDHAR'.

Sl.No.	Student	Grade	Section	Mobile No	Email Id
1	ADARSH BELAWADI MURALIDHAR	Montessori	A	97977997	adarsh@gmail.com

Click on "Create Login". You will get a message "login created successfully". Then to check username and password goto user menu

Options --> User

You will be able to view the user with user name as their Email id and Role type set as "ROLE\_STUDENT".

User Master					
Sl.No.	User Name +	Role Type +	Teacher Name +	Enabled	
1	admin	ROLE_ADMIN		true	
2	adarsh@gmailcom	ROLE_STUDENT		true	
<div> Add</div> <div> </div> <div> Export</div>
