

# Student ID Card

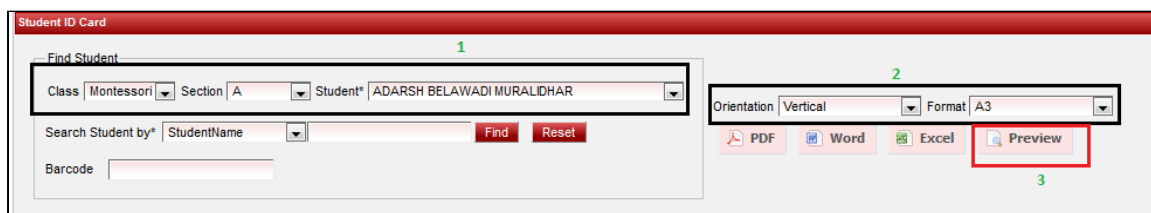

Student ID card is used to generate the ID card directly from the software.

To create the Student ID card

Go to **Student Report --> Student ID Card**

Select Class, Section, Student Name, Orientation and Format. Click on **Preview**.

A screenshot of the 'Student ID Card' generation form. The form has a red header bar with the title 'Student ID Card'. Below the header, there are several input fields and buttons. On the left, there is a 'Find Student' section with a search bar containing 'ADARSH BELAWADI MURALIDHAR'. Below this are 'Search Student by\*' and 'Barcode' fields. On the right, there are 'Orientation' and 'Format' dropdown menus, both set to 'Vertical' and 'A3' respectively. Below these are four buttons: 'PDF', 'Word', 'Excel', and 'Preview'. The 'Preview' button is highlighted with a red rectangular box. There are green numbers 1, 2, and 3 pointing to the search bar, the Orientation/Format dropdowns, and the Preview button respectively.

Once you click on Preview the ID card for the selected student will appear. If you wish to generate in PDF format then click on **PDF**.
